Mr. Mike Waite & Mr. Greg Dueck
Safety Services Manitoba
#3 – 1680 Notre Dame Avenue
Winnipeg, MB R3H 1H6

Dear Mr. Waite & Mr. Dueck:

Our Grade 3 to 8 students had the opportunity to participate in the Snowmobile and ATV Safety Clinic last Wednesday, November 21st!

Firstly, don't let Wally get away!! Wally brought a professional, caring, entertaining message to the students in regards to Snowmobile and ATV safety! He was able to combine a well-thought-out, organized power point presentation with interesting, anecdotal stories to get across safety and respect for the recreational vehicles.

Secondly, the students were able to observe the recreational vehicles first hand. They were allowed to put to use practical mounting and dismounting techniques introduced by Wally!

Lastly, Wally is one of a kind! He was able to connect with the students! He came across as an individual who truly cares about children's safety; a practice that cannot be taught!

I would recommend this presentation to any colleagues!

Sincerely,

Gregory B. Lee
Principal
