

Do you want to train young people to become safe, responsible babysitters?

SSM can help! The Babysitter Safety Training Course equips young people with the tools they need to keep themselves and their babysitting charges safe!

This course is designed for one or more adult leaders to educate a group of young people to develop the skills needed to stay safe and have fun while babysitting.

Topics covered include:

- Babysitting basics
- Child care
- Playing with children
- Fire safety
- Injuries and prevention

The Babysitter Safety Training Course Leader's Guide provides all the resources needed to teach the course:

- PowerPoint presentation
- Discussion guides
- Teaching activities
- Answers to quizzes

Students complete the Babysitter Safety Training manual followed by a practical experience component (babysitting with a parent supervisor).

Order your Babysitter Safety Training Course materials from SSM to get started!
