

**Do your employees
direct traffic as part of
their regular duties?**

SSM's Flag Person Certification Course will ensure your employees are working safely.

This 1 day course is designed for workers with no previous experience as a flagperson. It will provide information on the following topics:

- Protection of co-workers and the general public
- Required personal protective equipment
- Positioning and communication strategies
- Hazard assessments for flag persons
- Workplace signage layout
- How to deal with emergency vehicles
- Worker and employers legislative safety requirements
- Safe work practices and procedures
- Flagging, signals
- Radio communication
- Incident management for flag persons
- Traffic control strategies

Students will receive a wallet-sized card from Safety Services Manitoba proving flagperson certification on Manitoba roadways.

Safety Services Manitoba • Unit 3-1680 Notre Dame Ave., Winnipeg

Course Fee: \$159 per person

Before being allowed to work as a flag person, a worker must hold a valid flagperson's training certificate, issued by a person or organization that has been approved by the director of Workplace Safety and Health and must demonstrate competency in applying this training at the workplace.

Preventing loss, protecting people since 1964
